## BENEFIT TO CURE GALACTOSEMIA

Dear Friend,

We at Galactosemia Families of the Southern States (GFSS) are very excited about the plans we have made for the 6<sup>th</sup> Annual Sarah's Cure Benefit Concert and 5K Run!!! This year's event is sure to be the best yet, as we have moved the concert to the outstanding facilities at **Bono's Chophouse and Saloon** in Decatur, TX. In addition to the new venue, we have made arrangements to have the best musicians ever. This amazing lineup includes **Jason Boland and the Stragglers, Johnny Lee and the Urban Cowboy Band**, and more! This will all take place on **Saturday, October 8, 2011**.

Sarah's Cure is the nation's largest annual fundraising event for galactosemia - raising over \$186,000 in its last five events!!! This money has helped fund six research projects and will play an intricate role in having galactosemic families from all over the nation gather in Dallas, TX for the national 2012 Galactosemia Foundation Conference. With your help, we are making a difference in children's lives all across this country.

All proceeds go directly towards research and finding a treatment or cure for galactosemia. GFSS is a 501(c)3 non-profit charitable organization. Check out our webpage [www.sarahscure.com](http://www.sarahscure.com) for more details.

A Sponsorship form is enclosed and your continued support is valued more than words can say. A reply before September 19, 2011 would be greatly appreciated and ensure your due recognition.

May God bless you,

Jo Beth Southard  
GFSS President
